

STOA's Projects Under the Global Health Crisis

ESSENTIAL INFRASTRUCTURE

All of STOA's projects have been declared as 'essential infrastructure' by the different public authorities they depend on

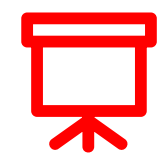

IMPLEMENTATION OF HEALTH MEASURES

- Among others:
- COVID Task Forces
 - Use of masks
 - Temperature screening
 - Physical distancing

ACTIVE MONITORING BY STOA

STOA ensures a weekly monitoring of its projects' response plans to the COVID-19 crisis

MONTHLY REPORTING

An analysis of the data collected from the projects is presented to STOA's Board of Directors every month
